

Setting up a Hikvision Hik-Connect Account

Once your Hikvision CCTV System has been installed you will need to complete the following steps to connect your smartphone with the system

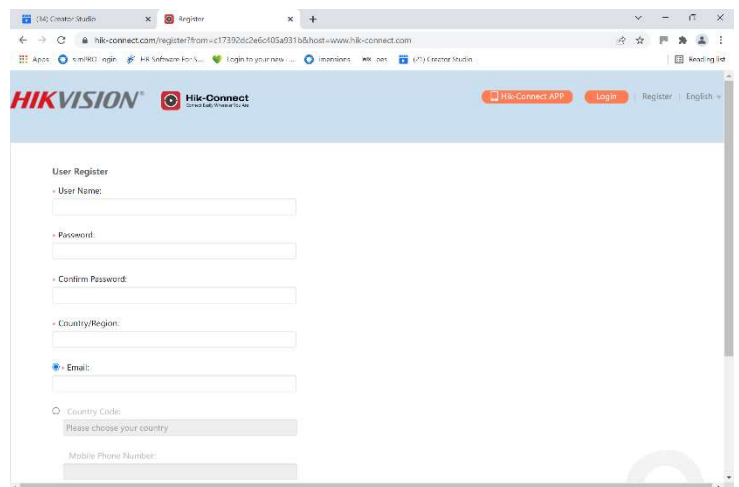

1. Download the **Hik-Connect App**

2. Go to www.hik-connect.com using a browser

3. Click on '**Register**' and complete the form using your mobile number or email address

4. Click on '**Agree to Terms**', then '**Next**'
5. Contact Platinum Security offices on **01708 733256** and provide us with your registered mobile number or email address
6. Platinum Security will now **share** the system to your account. That's it.
7. Your App will advise you there is a new system to connect with, simply **accept** the invitation.
8. The first time you connect to the system using the App, enter the verification code **Platinum1966**
